INTERNATIONAL JUDGE: WAYNE G. HIPSLEY

IMHR is extremely proud to announce **Wayne G. Hipsley BSc MSc** from Lexington, Kentucky USA will officiate at our Grand National.

Wayne will be judging the Youth Nationals on Monday followed by all classes on Wednesday, Thursday and Ring 1 on Friday. Local judges will be utilised for Tuesday, Friday Ring 2 and Saturday. Details will be provided once confirmed.

In 2020, this will be his third time to serve as an official for the IMHR as a judge for their National, now Grand National Miniature Horse Show. Over the years, he has watched the quality transition of the Miniature Horses in Australia, as well as the significant improvement of the presentations. He is especially impressed with the further diversification in the various uses and training (expansion of driving, dressage, etc.) of the breed in the class list. We must remember, showing is an important part of sustaining and growing the Miniature Horse breed.

The 2018 AMHA World Show was the fifth time he has the honor to serve as a judge for this important event in the AMHA calendar. Over these years, he has seen the evolution and improvement of the breed into a true

Miniature Horse through selective breeding enhanced by the emphasis of show ring competition. One of the greatest areas of improvement is with the development of talented driving horses in all divisions, something that owners and exhibitors along with their trainers need to be congratulated.

Wayne has been a licensed American Miniature Horse Association judge for over 30 years. During this time, he has assisted with the formation of the AMHA judge's education and licensing programs, serving as a seminar instructor and consultant to the AMHA Licensed Officials Committee. In addition, he has worked with development of AMHA rules and regulations, breed standards and international marketing of the breed.

Through the years, Wayne has conducted educational clinics and seminars pertaining to the Miniature Horse outside of the US borders in Australia, New Zealand, United Kingdom, Belgium, Czech Republic, Netherlands, France and South Africa. His central message has been and remains a focus on the American Miniature Horse and its "large horse in a small package" philosophy, while maintaining the standard of height and type.

He has judged over 100 American Miniature Horse shows during his career in 12 different countries. Through these opportunities, he has also had the pleasure of assessing and evaluating Miniature Horses with foreign foundations in their native country and measure their progress to achieve the goal of a "large horse in a small package."

Wayne continues to enjoy his lifelong passion with horses on his farm in Paris, Kentucky, devoting part of the time to trail riding and equestrian consulting along with judging.

Good luck to all exhibitors. Remember, "Let's Go and Grow!"®

TRAINERS CHALLENGE

This challenge is for recognised trainers to demonstrate their skill and ability to bring out the best in horses that they are not familiar with. Exhibitors may nominate horses to be available for the challenge. Trainers draw a horse from a hat and have 30 mins to work with that horse.

The challenge event consists of a halter class followed by a condensed hunter course. The trainer with the highest points over the two events will be declared the winner and will win 100% of the entry money for that event as prizemoney.

VERSATILITY

The horse will perform three disciplines in one class.

- Harness Driving (20 points)
- Halter (20 points)
- Hunter (Abbreviated Course) (20 points)

All three disciplines to be judged and scored. Total is then combined for final placings. Any horse disqualified from one discipline is disqualified from the class.

There will be one class and is open to mares, stallions and geldings of all heights.

Each discipline will be subject to the open class rule for that discipline unless otherwise stated in class description. Horse must be three years of age or older. One Assistant or Header (MUST BE AN ADULT) will be allowed in the arena only for the heading and unharnessing of the horse.

Exhibitor and assistant must be properly attired.

Class Procedure:

1. Horses will enter the arena at a collected trot then perform a working trot and walk in both directions of the arena then stand in a line up as indicated by the Ring Steward. Headers will be asked to enter the arena. Horses will be asked to rein back.
2. The call judge will blow a whistle signalling the driver and header, as a team, to remove cart and harness from horse and do any grooming or halter changes. For purpose of safety, the cart must be removed from the horse before the horse is unbridled. Failure to do so; will be disqualification and excused from the arena. Each horse and handler will go to the rail in order of completion. After a two minute time limit the call judge will blow the whistle for time. Any horse not removed from cart or harness will be disqualified. Headers will be asked to exit the arena with cart and harness, in an orderly manner.
3. Horses are to remain in the same order for the rest of the class.
4. Horses will be judged at halter. Stock Horses showing in Versatility MUST wear stock type/western show halters. No teeth will be checked. Horses will line up head to tail for inspection. Horses may be asked to work out for the judge.
5. Horses will jump a hunter style course consisting of a maximum of three (3) jumps and must include one change of direction. Course is to demonstrate horses' style, manner and way of going. Any faults are calculated as per standard Hunter rules.

We encourage exhibitors to share their photos on social media to gain support, however, only 'likes' recorded on the IMHR Facebook page count towards the final winning result.

Winner will receive \$100 cash.

MARSHALLING

Exhibitors must be present in the marshalling area for their class at least 5 minutes before the end of the previous class. Notification of gear and handler changes must be made to the Gate Steward and if time permits, a maximum 3-minute allowance will be made. All equipment required for gear and handler changes must be brought to the marshalling area. Once the gate has been closed by the gate steward entry will not be permitted into that class.

Appropriate footwear (no thongs or sandals) must be worn in the marshalling area or you will be asked to leave the area. Failure to do so may result in disciplinary action.

Alcohol is not permitted in the marshalling area.

Dogs are not permitted in the marshalling area.

It is the responsibility of the exhibitor to ensure that they monitor the progress of the classes and are present in time for their classes. They must also ensure that they have enough handlers, gear and equipment to ensure arrival for classes in a timely manner.

Any horse not listed in the steward sheet for that class will NOT be permitted to enter the ring. Changes in class entries due to heights or substitution must be annotated on the steward's sheet by Show Management or the exhibitor must hold the appropriate authorisation paperwork to present to the steward. If you have changed classes due to height, the gate steward can verify this via the height stamped on the exhibitor number.

Ensure you are at the marshalling area in time to resolve any issues.

IMHR National Show Perpetual Trophy

Marie Raines Inspirational Award

In Honor of Marie Ann Raines ~ 27 June 1954 - 13 July 2015

In mid-2015 the miniature horse community lost one of its most admired and respected enthusiasts. Marie Raines was one of the founders of Koriana Park – a stud based in Western New South Wales, which pioneered the breeding of little horses, and which continues to be recognised for the quality of its carefully considered breeding program.

For Marie, showing horses was very much a family affair involving her husband Viv and daughter Kylie. However, Marie's notion of 'family' extended far beyond her immediate household. Marie was an exceptionally kind and generous horsewoman, always quick to lend a hand to exhibitors who may have been struggling to manage horses singlehandedly, or to keep a watchful eye on children while mum or dad were in the show ring. Perhaps that's why almost everyone referred to Marie simply as 'mum'.

Marie's calm nature saw horses warm to her very quickly, and a few gentle words were often all it took for her to settle excitable youngstock. She worked tirelessly for the miniature horse community, helping to organise and support shows in her local area, giving all enthusiasts an equal opportunity to have their moment of victory in the show ring. Yet Marie was content to stay out of the limelight herself.

In June 2012, Marie faced her greatest challenge. Diagnosed with melanoma, Marie, Viv and Kylie would regularly make the 1,000 kilometre round-trip from their home in Warren to Sydney to undergo treatment. Anyone who has ever been brushed by cancer will know just how debilitating treatment can be. But Marie never lost hope, never gave up – and never lost her enthusiasm to share a smile, a laugh and warm hugs with those around her.

After three difficult years, on 13 July 2015, Marie's journey came to an end, and she passed away surrounded by her loving family.

While Marie is no longer with us, the memories of her kindness and warmth will always shine brightly.

The Marie Raines Inspirational Award embodies Marie's spirit of generosity, selflessness and true passion for miniature horses. This award acknowledges the IMHR National Show exhibitor who shares those same qualities - helping to make the show more pleasant for those around them, inspiring others to aim for the stars, and always putting the welfare of their horses above all else.

To the winner of the Marie Raines Inspirational Award, we honour you just as we give tribute to the remarkable woman after whom this award is named. You are a true source of inspiration, and we know Marie shares your joy in being selected as this year's recipient.

Proudly Sponsored By Koriana Park

MEASURING

All horses and ponies need to be measured to attend the National Show.

Collect your exhibitor bag from the Show Office (see Show Office Opening Hours) prior to attending measuring. This bag contains your exhibit numbers which will be stamped with the horse or pony's height at the measuring bay. It will also contain your Show Catalogue. Use that publication to confirm your classes and to make notes in, especially if your horse measures into a different class rather than the one entered. It is your responsibility to enter the correct class based on your horse's height which will be written on the back of your exhibit number.

Horses or ponies being used for the Youth Nationals do not need to be measured for these events but must be measured to enter other events at the National Show.

Be prepared for measuring:

- Know your horse or pony's full registered name
- Understand the IMHR Height For Age rules
- Know what height your horse or pony needs to be to qualify for the classes you've entered so that you know if you need to move 'up' or 'down' a class
- Bring enough handlers to hold horses and ponies while your team is being measured
- Be ready to be measured when it's your turn by removing all rugs
- Remember to request a last hair of the mane measurement if entering AMHA classes

Measuring times

Sunday 22nd March – 2pm to 6pm
Monday 23rd March – 3pm to 7pm
Tuesday 24th March – 7am to 8am
Wednesday 25th March – 7am to 8am
Thursday 26th March – 7am to 8am
Friday 27th March – 7am to 8am
Saturday 28th March – 7am to 8am

Unless your horse or pony is 5 years and over (actual) and holds a Permanent Height Card they will need to be measured at the National Show unless officially measured at an eligible IMHR show less than 3 months prior. More information about Permanent Height Cards is available on the IMHR website. Miniature, Small and Little Horses and Miniature and Small Ponies are measured at the highest point of the wither and must meet the IMHR Height For Age to compete.

American Shetlands and APSB Shetland Ponies must not exceed the height requirements for registration with the relevant organisations.

WHAT ARE SIRES FUTURITIES ?

A once-off nomination fee is paid for a stallion. All progeny (past, present and future) are eligible to enter the SIRES Futurities prizemoney events at Nationals and other selected shows. **To ensure we can confirm eligibility, all horses entering the SIRES classes must now be registered IMHR.**

The nominated stallion must be registered IMHR and have a Certificate of Soundness on file with IMHR.

Prizemoney won by progeny is awarded at the show to the exhibitor of the winning horse(s). The total amount of prizemoney awarded is added to the running total of prizemoney won by that stallion's progeny to establish a ranking.

To check if a horse you own is eligible, go to the IMHR website Forms Page and check the List of Nominated Stallions. If one of these stallions is the sire of your horse, then your horse is eligible to enter these classes.
