Exhibitors with caravans must also pay applicable camping/parking fees for the parking space for the caravan.

### Smoking

Smoking is NOT permitted in any buildings, stabling or restrooms. Smoking must be done outside and away from the stable area. Please dispose of butts in bins.

### Decorations / Signage

Posters, flyers and other printed materials shall not be stapled or attached to any building. Posters may be placed on designated bulletin boards.

We encourage exhibitors to hang posters and displays on their stables and surround areas provided it does not impede the walkway or other exhibitor's stables.

## Stabling

All bookings must be made through AELEC. Visit the website – [www.aelec.com.au](http://www.aelec.com.au) or call (02) 6767 5858. IMHR will post information on our website and social networking sites about the online booking system once AELEC has advised that it is available.

IMHR Inc. recommends the use of disinfectant in all shared horse areas including the stables and recommends that you bring suitable items for that purpose to assist in protecting the health of your horse.

AELEC requires that all exhibitors pay a stable deposit that will be refunded when stable is confirmed clean. ALL bedding must be removed (not just manure) and placed into designated areas. We recommend bringing a wheelbarrow and shovels for this purpose.

### Camping & Parking

All bookings must be made through AELEC. Visit the website – [www.aelec.com.au](http://www.aelec.com.au) or call (02) 6767 5858.

If you have booked a caravan, you must pay additional parking for that caravan plus any other additional vehicles. Ensure your parking spot is suitable for your caravan before booking.

All parking behind the secure gates MUST BE PAID FOR. Free parking outside the secure gates is available for visitors. Checks will be made to ensure all vehicles are eligible. Ensure your pass is displayed on your vehicle. Anyone found parking or camping without paying the appropriate fee will be asked to leave and may be excluded from further participation in the National Show without refund.

### Washing & Clipping Horses

Please be mindful of the water restrictions in place all over Australia and ensure you wash your horses using the minimum amount of water and do not leave hoses running.

Horses must be washed in designated wash bays only. No clipping of horses permitted in wash bays.

Horses may be clipped in stable areas however all hair must be swept up and placed in bins provided. Horses may be presented with heads and bodies clipped. Eyelashes are not to be removed.

## Class Information

The age of youth & adult exhibitors is determined by actual age as at closing date for entries. For Three Day Event competitors, age is based on actual age at first event of the 3DE competition.

## Marshalling

Exhibitors must be present in the marshalling area at least 5 minutes before the end of the previous class. Notification of gear and handler changes must be made to the Gate Steward and if time permits, a maximum 3 minute allowance will be made. All equipment required for gear and handler changes must be brought to the marshalling area.

Appropriate footwear (no thongs or sandals) must be worn in the marshalling area or you will be asked to leave the area. Failure to do so may result in disciplinary action.

It is the responsibility of the exhibitor to ensure that they monitor the progress of the classes and are present in time for their classes. They must also ensure that they have sufficient handlers, gear and equipment to ensure arrival for classes in a timely manner.

Any horse not listed in the steward sheet for that class will NOT be permitted to enter the ring. Changes in class entries due to heights or substitution must be annotated on the steward's sheet by Show Management or the exhibitor must hold the appropriate authorisation paperwork to present to the steward. Ensure you are at the marshalling area in time to resolve any issues.

## Show Breaks

Exhibitors should note that there will be breaks during the program at the Judge and Stewards discretion.

Breaks will be announced periodically and displayed on the Show Office noticeboard where possible.

## Judges

An International judge plus local judge(s) will be utilised during the National Show. Allocation of judges to events will be determined by IMHR based on availability.

## AMHA USA Australian Titles

All American Miniature Horse Association (AMHA) classes will run under the rules of the AMHA ([www.amha.org](http://www.amha.org)). All other rules specified in this premium relate to open classes only and do not apply to AMHA classes.

**All horses participating in AMHA classes must be registered AMHA.** Exhibitors must send in a copy of the horse's registration papers, front and back and senior stallions 3 years old and older must provide a Stallion Verification Report for the testicles with entry or entry will be rejected.

Judge AMHA classes: Sid Hutchcraft (USA)  
AMHA Show Manager: Leanne Gow

## Jump for Ca\$h

The Jump For Cash event is a single round, timed show jumping event. The horse with the fastest final time (with adjustments as per rules applied) is deemed the winner. Safety of horse and handler is paramount. If, in the official's opinion, any horse or handler is not considered fit to compete they shall be excluded from the competition.

This event can only be run in a safe, fully enclosed arena with suitable footing such as grass or sand. Any surface containing rocks, gravel or any other material which may cause injury is not deemed suitable.

### **Prizemoney**

The winner of this event will win a guaranteed minimum of \$100, second place \$50 and third place \$25. Prizemoney is based on the number of horses entering the event and the applicable entry fees. Prizemoney calculated as per other National Show prizemoney events.

### **Eligibility**

This event is only open to senior horses aged 3 years actual and over at date of event. Handler is minimum age of 13 years. Youth handlers may not show a stallion.

Handlers must be suitably attired as per the IMHR Show Rules for Show Jumping. Stewards may exclude anyone not suitably attired including but not limited to safe footwear suitable for running. Horses must wear suitable head gear as per IMHR Show Rules for Show Jumping. Leads must be between 10-12 feet.

### **Jumping Equipment**

Course layout must follow as per diagram including heights and distance between obstacles. Separate heights must be set for Miniature Horse, Small Horse (+ 2") and Little Horse (+ 4"). Jumps must be stable and capable of being dislodged. Solid jumps cannot be used. The top rail must be of hard foam or similar to prevent injury to horses approaching at speed.

No other equipment is permitted on course which may cause interference or distraction including decorative pots and plants. Only safe jumps suitable for use with Miniature Horses can be included in the course.

Jumps used as to be the same or similar equipment for Six Bar. The Joker jump is the only exception as it has no ground pole (aside from jump base) and only a single rail.

### **Scoring & Penalties**

Each run shall be timed and this shall form the basis of the placings. Official timing and placings are final.

Each exhibit shall circle for the judge prior to commencement and on completion to confirm soundness for the judge. Any horse deemed as unsound will not be permitted to compete in the event.

All horses must attempt Jump 1, Jump 2, Jump 3, Jump 5 and Jump 6. Jump 4 is known as a Joker and is optional. If the exhibitor wishes to attempt the Joker, it must be done after Jump 3 and before Jump 5. If the exhibitor does not wish to attempt the Joker, it must be avoided as per the course outline.

Any refusal (at any jump) shall result in 4 seconds being added to the final time. The exhibitor must re-attempt this jump.

In the unlikely event of a tie, the horses on equal time must jump off by completing a second round with only the Joker jump raised by 2". The exhibitors have the same option to use or avoid the Joker jump.

Refusal	+ 4 seconds
Knockdown	+ 3 seconds
Success at Joker obstacle	- 4 seconds
Two refusals at same obstacle	DQ
Fall of horse or handler	DQ
Off course	DQ
Failing to circle prior/after	DQ

### **Timing**

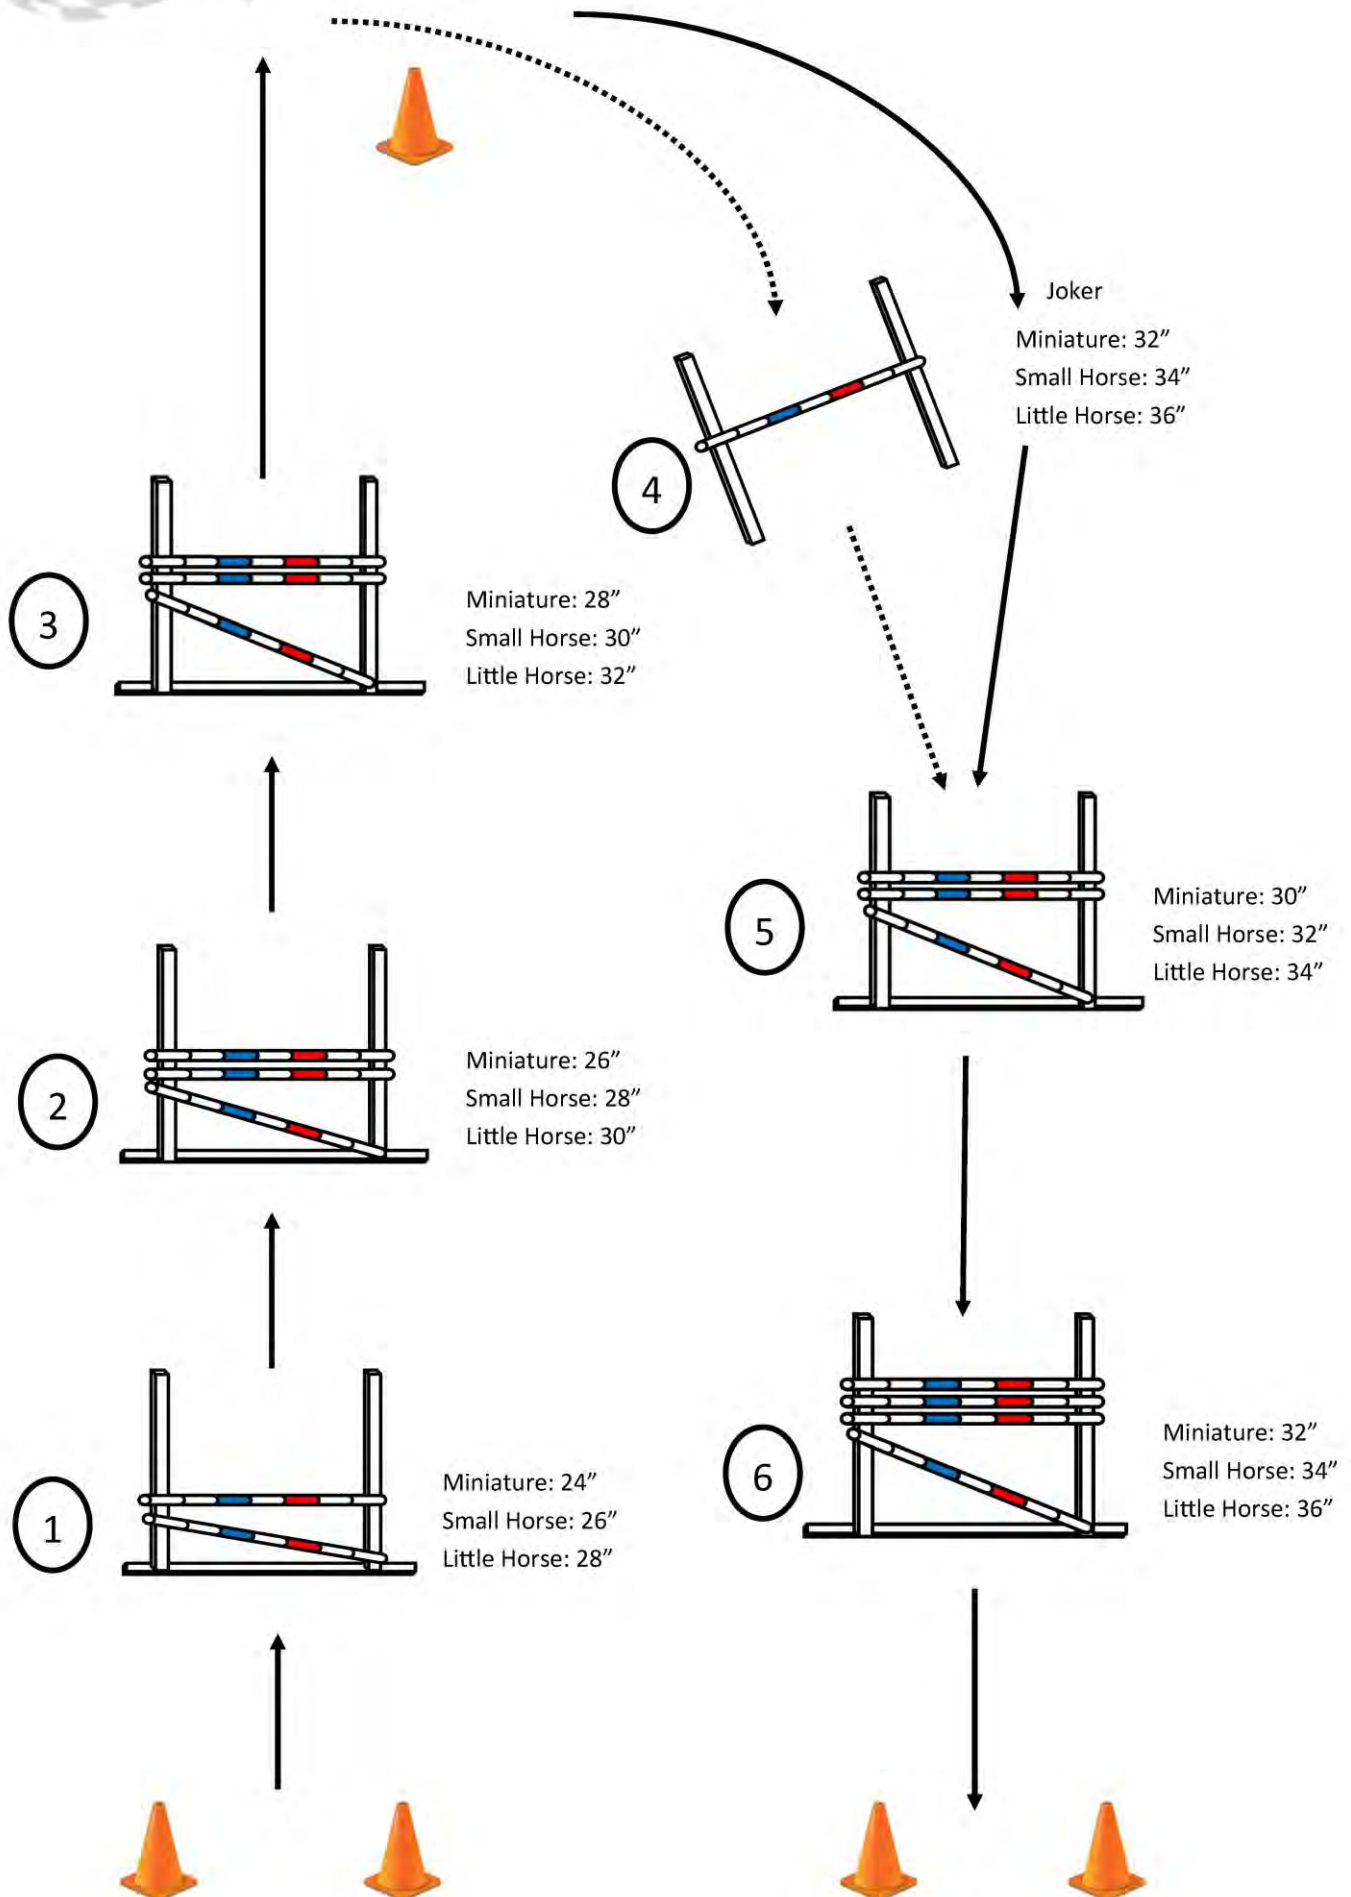

The Show Committee shall appoint an official timekeeper for this event. The timekeeper is to be situated in line with the start/finish lines and is to capture each exhibit's time. Clock starts when any part of the horse or handler crosses the start line and concludes when any part of the horse or handler crosses the finish line.

### **Run Order**

All exhibits shall run in the order set by the officials. Consideration may be given to exhibitors with more than one horse.
