IMHR National Show 2017 Perpetual Trophy

Marie Raines Inspirational Award

In Honor of Marie Ann Raines ~ 27 June 1954 - 13 July 2015

In mid-2015 the miniature horse community lost one of its most admired and respected enthusiasts. Marie Raines was one of the founders of Koriana Park – a stud based in Western New South Wales, which pioneered the breeding of little horses, and which continues to be recognised for the quality of its carefully considered breeding program.

For Marie, showing horses was very much a family affair involving her husband Viv and daughter Kylie. However, Marie's notion of 'family' extended far beyond her immediate household. Marie was an exceptionally kind and generous horsewoman, always quick to lend a hand to exhibitors who may have been struggling to manage horses singlehandedly, or to keep a watchful eye on children while mum or dad were in the show ring. Perhaps that's why almost everyone referred to Marie simply as 'mum'.

Marie's calm nature saw horses warm to her very quickly, and a few gentle words were often all it took for her to settle excitable youngstock. She worked tirelessly for the miniature horse community, helping to organise and support shows in her local area, giving all enthusiasts an equal opportunity to have their moment of victory in the show ring. Yet Marie was content to stay out of the limelight herself.

In June 2012, Marie faced her greatest challenge. Diagnosed with melanoma, Marie, Viv and Kylie would regularly make the 1,000 kilometre round-trip from their home in Warren to Sydney to undergo treatment. Anyone who has ever been brushed by cancer will know just how debilitating treatment can be. But Marie never lost hope, never gave up – and never lost her enthusiasm to share a smile, a laugh and warm hugs with those around her.

After three difficult years, on 13 July 2015, Marie's journey came to an end, and she passed away surrounded by her loving family.

While Marie is no longer with us, the memories of her kindness and warmth will always shine brightly.

The Marie Raines Inspirational Award embodies Marie's spirit of generosity, selflessness and true passion for miniature horses. This award acknowledges the 2017 IMHR National Show exhibitor who shares those same qualities - helping to make the show more pleasant for those around them, inspiring others to aim for the stars, and always putting the welfare of their horses above all else.

To the winner of the 2017 Marie Raines Inspirational Award, we honour you just as we give tribute to the remarkable woman after whom this award is named. You are a true source of inspiration, and we know Marie shares your joy in being selected as this year's recipient.

War on Worms

WAR ON WORMS

Choose Your Weapons...

- MecWorm & Tape
- MecWorm & Bot

The importance of rotating wormers by active NOT by brandname has never been as important as it is today! Resistance is only a matter of time...

The active in MecWorm & Bot is a member of the "mectin" family while MecWorm & Tape Allwormer contains a mectin in combination with morantel. Worma Drench and Worma paste are members of the "BZ" family. Worma paste has a completely different additional active, piperazine, for extra firepower. MecWorm & Tape Allwormer treats and controls tapeworms and is a broad spectrum allwormer. MecWorm & Bot is broad spectrum and controls seasonal bots. Worma paste is broad spectrum, combats BZ resistant small strongyles and sterilises worm eggs within 24 hours of usage, you can even give a 2nd dose 48 hours later if migrating strongyles are a problem. Worma Drench is a liquid formulation which can be administered in various ways (see label) and can be added to feed for those horses that prove difficult to worm. All 4 products have a wide safety margin and are great value for money.
